Important Disclaimers

- **Not Claiming Fulfillment:****
We track PATTERNS consistent with Rev 13:16-17, NOT definitive fulfillment.
- **Technology ≠ Mark of the Beast:****
Digital ID, biometrics, CBDCs are TECHNOLOGIES.
The mark requires worship of the beast (Rev 13:15-16) – not observed yet.
- **Monitoring Context Only:****
We track infrastructure that COULD enable commerce control.
Current systems are not 'the mark' but may be precursors.
- **EFF's Perspective:****
EFF opposes surveillance/digital ID from a CIVIL LIBERTIES stance.
Their concerns align with our monitoring, but they're not a prophetic source.

****Scripture anchor:**** Revelation 13:16-17 – 'mark in their right hand... no man might buy or sell'
